

Old Stone Bridge

From Meyers, drive 11.5 miles on Rt 50 west to Twin Bridges, then continue on Rt. 50 for 4.5 miles. Drive slowly and look for a small dirt turnout (a remnant of the Old Lincoln Hwy.) Turn off and park there for the old stone bridge and waterfall, a favorite of Dave Russo. If you see Wright's Lake sign, you've gone too far.

For carpooling to the Old Stone Bridge, meet at Meeks Lunber in Meyers at 8:15am
