

## TAHOE ART LEAGUE WELCOMES ARTISTS for PLEIN AIR in 2016

The Tahoe Art League invites members and the public to join them for PLEIN AIR painting at scenic locations around Lake Tahoe and in the Sierra Mountains. Not for instruction, just for fun! All media are welcome. These are great locations for photographers as well. The sessions are Sunday mornings, from 9 am to 12 noon and are followed by a group critique. Bring your bag lunch. *Occasionally the critique is held at a local restaurant.* Schedule and maps are available at the TAL monthly meeting or the Art Center (3062 Lake Tahoe Blvd.) Refer questions about schedule or location to Sue Stevenson at (530) 577-5394 or (530) 307-8560, or Donna Reid at (530) 542-1016. Email [pleinair@talart.org](mailto:pleinair@talart.org) if you wish to receive email announcements before each session. Call or email if the weather is questionable, as we cancel during rain or snow. Check for current schedule on [www.talart.org](http://www.talart.org).
